

Empowering Servants of Christ

The Benefits

SERVING THE NEEDS OF SEMINARY STUDENTS AS THEY LABOR IN THE HARVEST

- Ministry Experience
- Financial Assistance
- Enrollment Incentive
- Mission Expansion

Global Service Network has been an invaluable service and relationship in helping me prepare for ministry. Because of our partnership, I've been able to both pursue an education that prepares me for ministry and pursue an internship at a local church. Apart from GSN, I could not have done this.

Luke Skeen - Pastoral Intern
Sojourn Community Church - Louisville KY

“For two years now GSN has faithfully and seamlessly administrated our support for us.”
